

FOSCARINI

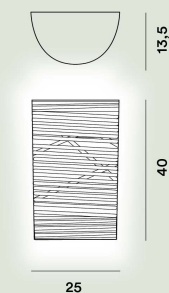

Tress Wall

Marc Sadler

2008

A ribbon of glass and resin woven with orderly randomness forms the structure and decoration of the lamp. A graphic, theatrical presence, thanks to the light that filters through the composite material, diffused in space and directed upward.

Tress Piccola Wall

**Color**

White, Black

Material

Coated fiberglass-based composite material and varnished metal.

Light Source

Bulb not included R7S 120W Max Dimmable
