

Rituals Wall

*Ludovica e Roberto Palomba
2012*

Featuring special workmanship on the blown glass, with irregular lines that etch the surface to generate warm, vibrant light. Like the pedestal of a work of art, the L-shaped support of the wall version permits different solutions: the glass can be positioned upward or downward, or in a version that combines two diffusers.

Rituals XI Semi Wall Modulo E27

Color
White

Mount colour
White, Graphite, Gold
