## Cri-cri Outdoor Table

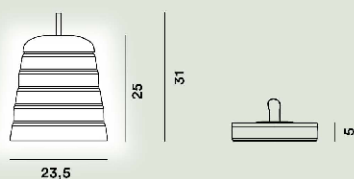

*Studio Natural*  
2017

An "easy" cordless lamp with an internal rechargeable battery, to hang or place where desired, both indoors and outdoors. Alone or in a combination, open or regulated at half height, it allows you to create a variety of luminous settings. The brightness can be adjusted to three different levels with a simple touch. When not in use it can be closed, to occupy a minimum of storage space.
