

Sun Light Of Love Suspension

Tord Boontje
2019

Like the sun with its molten, unfathomable contours, it has no precise beginning or end. 390 steel rays give life to a suspension lamp with great presence and personality. The double light source - directed downward and diffused upward - makes it perfect to light a room or to create a cosy atmosphere around a table. Two colour finishes set the tone of the lamp.

Sun Light Of Love Suspension Led Mylight

**Color**

White, Gold

Material

Liquid coated aluminium and steel
