

Allegro Suspension

Atelier Oi
2007

A collection that takes form thanks to the force of gravity, with metal lines that shape the light and emit sounds when touched. This “musical” character is behind the name of the three versions, large in size, with different finishes and forms. Diffused light, directed downward and reflected from the ceiling.

Allegro Vivace Suspension

Color

Copper

Material

Lacquered aluminium and chromed metal

Light Source

Bulb not included R7s + E27 PAR 300W+100W Max Dimmable

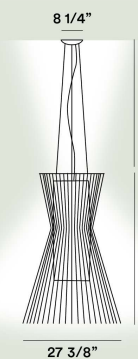

Weight
